

### Getting Started

1. Decide on a theme for your slide show (i.e., wedding, engagement party, "Through The Years", etc.).
2. Pull together all the photographs, negatives or slides you want for the presentation and if desired, your musical selections.
3. Give us a call to discuss your photo project. You will be asked to put your photos in a set order that you want them in. If not, we will randomly put them into the presentation. We suggest labeling them with numbered post-its on the back of the photos.
4. We will then make arrangements for you to drop them off to us or mail them to us. We **DO NOT** take responsibility for items shipped to us, so please package them securely and insure them properly.
5. After we receive them from you, we will then digitize and enhance your photos (paper photos, negatives or slides) and create a fun slideshow presentation.
6. When we are done with your presentation, we will provide you with a slideshow VCD and a copy of your digitized photos on a CD-R for your viewing pleasure. Plus we will return to you, any photos, slides, or negatives that you may have provided us with.

*All packages include, one copy of the slideshow on a VCD with customized cover and case and one CD with scanned photos/negatives/slides. All slideshow VCD's will play in any DVD player.*

*Applicable PA state sales tax is included in the price you see. However, for items that must be shipped, a standard shipping and handling charge will be added.*

### 1% Milk Package .....

This package turns up to 75 of your already digitized photos into a slide show. You provide the digital photos and three of your musical selections and we will combine them into a VCD (Video Compact Disc).

### 2% Milk Package .....

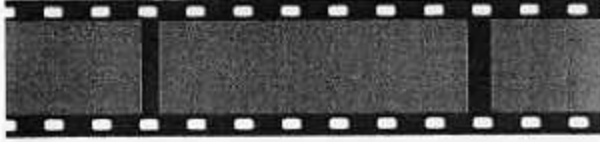

This package turns up to 75 of your paper photos, negatives, slides and/or digitized photos (any combination of pictures) into a slide show. You provide the photos (paper, negative, slide or digitized) and three of your musical selections and we will combine them into a VCD.

### Whole Milk Package .....

This package turns 150 of your paper photos, negatives, slides and/or digitized photos (any combination of pictures) into a slide show. You provide the photos (paper, negative, slide or digitized) and six or seven of your musical selections and we will combine them into a VCD.

### Milk Shake Package .....

Our ultimate package turns 250 of your paper photos, negatives, slides and/or digitized photos (any combination of pictures) into a slide show. You provide the photos (paper, negative, slide or digitized) and nine or ten of your musical selections and we will combine them into a VCD.

### Whipped Cream ..... \$15.00

Additional copies of the VCD slide show are \$15.00 each. However, if your order is more than ten (10) copies, your cost will be only \$10.00 per copy.

### Hot Fudge Topping ..... \$1.00

Add \$1.00 for each additional photo, negative or slide scanned to include in the presentation.

### Skim Milk Package ..... \$10.00

This package is for those just looking to digitize their photos, negatives and slides. They will be scanned, enhanced and burned to a CD-R for the initial \$10.00 plus the following rates listed.

Photos	\$0.15 per photo
35mm Negatives/Slide	\$0.25 per negative

*A discount will be considered on quantities over 100 photos, slides or negatives scanned.*

**Any questions feel free to  
call or e-mail us !!!!**

**We thank you for  
considering  
Moovin' Memories !!!!**

At Moovin' Memories, we will take your digitized photos or scan your paper photos, negatives and/or slides and create a slide show presentation that will last forever.

All you need to do is pull together your "memories", your favorite music and we'll do the rest.

We have several affordable packages to choose from.

Give us a call today to talk about the package that best suits your needs and to see a sample of what we can do to make your memories "mooooooooooooove"!
